

**MAINLAND ROOFING  
COMPANY**

## **AVAILABLE DRIP EDGE COLORS**

We only use Galvalume 26 gauge metals which have expected life of 35 years!  
Other contractors use Galvalume Steel with an expected life of 20 years.

\*White, Black, Bronze, and Brown available in Aluminum upon request.

Colors shown are close to actual finishes. However, due to the limitations of printing processes, slight variations may exist. Sample chips are available upon request
